

## Arrive AI to Join Fireside Chat at Jefferies Innovative Aerospace Virtual Summit

June 4, 2026

**NEW YORK CITY, NY / [ACCESS Newswire](#) / June 4, 2026 / Arrive AI (NASDAQ:ARAI)**, an autonomous delivery network company building AI-powered last inch delivery infrastructure through secure, climate-assisted Arrive Points, today announced that members of the company's leadership team will participate in a fireside chat and host one-on-one investor meetings at the Jefferies Innovative Aerospace Virtual Summit on June 8, 2026.

"Autonomous delivery is emerging as one of the more visible applications of intelligent, connected infrastructure, particularly as robots, drones and other aerial delivery systems move closer to widespread deployment," said Dan O'Toole, Founder and Chief Executive Officer of Arrive AI. "The Jefferies summit brings together the right audience to discuss where this market is heading, and how Arrive AI is building the delivery infrastructure that makes aerial and ground-based autonomous logistics practical at scale."

Investors interested in learning more or scheduling a one-on-one meeting should contact their Jefferies representative.

### About Arrive AI

Arrive AI (NASDAQ:ARAI) is building the infrastructure for autonomous logistics through a network of intelligent delivery endpoints that enable secure, asynchronous exchange of goods. The company's platform supports drones, ground robotics, and human couriers, solving the "last inch of the last-mile" challenge across logistics, healthcare, and enterprise delivery.
